

**RAPTOR CONSERVANCY OF VIRGINIA | ADOPT-A-RAPTOR FORM**

**BENEFITS**

- All Adopters will receive an adoption certificate plus a 5 x 7 color picture and an information sheet on their adopted RCV bird.
- Adopters at the \$200 level and up will receive the above benefits plus notification of an occasion when their adopted RCV raptor will be out in public so you can meet the bird. (Sorry, we are not in a position to give tours of the RCV facilities at this time).
- Adopters at the \$400 level and above, in addition, will receive notification of an occasion when a raptor release by RCV volunteers will occur -- so they may have the opportunity to see a bird go back to the wild! (please note many releases are not in Northern Virginia).
